NAHMA Educational Foundation 2012 Scholarship Application Now Available

All high school seniors, high school graduates, and adults holding a high school diploma or GED living at an Affordable Housing Management Association (AHMA) member "affiliated property" are invited by the Board of Directors of the National Affordable Housing Management Association (NAHMA) Educational Foundation to apply for scholarship grants for higher education to be awarded in 2012. The NAHMA Educational Foundation issues this invitation to distinguished residents who are pursuing some type of higher education in college, university, community college, trade/professional school or institute.

The scholarship application can be found online at: <http://nahma.indatus.com/>

The Foundation is a privately funded, non-profit organization that was created in 1994, and awarded its first scholarships in 2007, to further educational opportunities on behalf of residents living at an AHMA member "affiliated property." This is one of a very few foundations of this type in the nation. We encourage the financial support of corporations, companies, families, private trusts, and individuals wishing to join us in this effort to honor and assist those who are the future of their respective NAHMA communities.

For more information on the NAHMA Educational Foundation's mission you can view our video at: <http://www.youtube.com/watch?v=ljaKz6bPnDs>

Please contact Dr. Bruce W. Johnson of the Foundation at 215-262-4230 or bwjec@comcast.net if you have any questions concerning any phase of the Foundation's work to help students living in the AHMA sites.
