

Give the Gift of Education this Holiday Season!
December 20, 2011

Dear Friends of the National Affordable Housing Management Association's (NAHMA) Educational Foundation,

Since 1994, the NAHMA Educational Foundation has nurtured the dreams of children and adults who live in affordable housing by:

- Raising and distributing scholarship funds for young adults eager to attend college or a trade school;
- Engaging in activities help to relieve some of the burdens faced by disadvantaged families; and
- Promoting programs that demonstrate the value-added aspects of affordable housing to the larger community.

Our mission is to assist residents of federally subsidized housing as they strive to enhance their lives, job opportunities and children's futures. The Foundation also enhances the livability and standing of properties managed by companies nationwide that are members of NAHMA. To view a video on the Foundation's history and mission visit: <http://www.youtube.com/NAHMA> or view a brochure on the Foundation at:

A principal element to achievement of the Foundation's goals is donations from our members and colleagues.

Please open your heart this holiday season with a gift to help today. With your help, we'll provide educational opportunities and a sense of hope and pride.

Your compassion and generosity will make a real difference to families in need in our communities!

The NAHMA Educational Foundation is a 501(c)3 non-profit organization and your contribution is tax deductible.
