

NAHMA Winter 2012 Congressional Representative Meetings  
January 13, 2012

Dear NAHMA member,

As part of NAHMA's Winter 2012 Conference, we strongly recommend our members take the opportunity to meet with their Congressional Representatives while they are in Washington, DC.

To that end, NAHMA would like to offer to help you set up and prepare for meetings with your properties' and company's Congressional Representatives during any free time you might have on Monday March 12-Wednesday March 13.

NAHMA staff would be happy to:

- Provide Congressional office contact information if you would like to set up your own meetings;
- Set up meetings on your behalf with your Congressional Representatives\*;
- Provide you with talking points on the most important affordable housing issues facing Congress and provide best practices for talking to your Representatives; and/or
- Attend Congressional meetings with you if you need additional support.

\*If you would like to have NAHMA set up Congressional meetings on your behalf, **please let us know which offices you would like to meet with, how long you will be in Washington, DC, and your availability during your visit.** All Congressional Meetings requests must be received by **COB Friday February 3** to ensure we have enough time to arrange your meetings.\*

Please let me ([lauren.eardensohn@nahma.org](mailto:lauren.eardensohn@nahma.org)) know if you would like to take advantage of any of these NAHMA Congressional services by **COB Friday February 3**. Please also note that NAHMA will be updating our legislative priorities prior to the March meeting. We will bring additional copies of these to the meeting site at the Fairmont.

Thank you so much and we look forward to seeing you in Washington, DC.

Best,

Lauren Eardensohn
