PAHMA prides itself in:

- Assisting owners and Management Agents in fulfilling their responsibilities to residents of affordable housing.
- Furthering the national program of providing affordable housing and better communities for all persons.
- Providing a vehicle for meaningful dialogue with HUD, PHFA, and other agencies.
- Providing timely information on issues facing the affordable housing industry.
- Providing an exchange of information leading to enhanced professionalism.
- Providing educational opportunities for Management Agents and on-site personnel.

Recognizing that effective communications are necessary between HUD and the Management Agents, one of the main objectives of PAHMA is to pursue an on-going dialogue with HUD officials. PAHMA needs you to be able to fulfill its mission of promoting a standard of excellence in the management of HUD and PHFA apartments. Your input, guidance, support and attendance are necessary if our proper dialogue is to be achieved.
