Please accept our apologies for the lateness of this notice. Given the sudden spread of the novel coronavirus, PAHMA has chosen to cancel the above named trainings.

PAHMA's main concern is the safety and wellness of our members, their employees, and the residents at their properties.

We understand that many companies have announced bans on travel and attendance at group events. It is our intent to reschedule these trainings for a later date in the year and we will notify each member when new dates are determined.

PAHMA will give each member the choice to allow PAHMA to hold any registration fee already paid for these future trainings or to have the fee returned/refunded.

Please notify [info@pahma.org](mailto:info@pahma.org) to advise of your choice.

Thank you for your understanding.
