Hello Investigators!

OCTOBER is Fire Prevention Month and HUD is rolling out updates regarding Fire Safety in Affordable Housing.

PAHMA has incorporated this year's theme into a **Clue-style Mystery** and all attendees are invited to join in the fun!

There has been a fire in an affordable housing property, and **YOU** can help solve the mystery. Your mission is to discover **WHO** the culprit is, **WHERE** the fire started, and **WHAT** caused it.

*Was it the Resident in the storage room with an electric scooter? Was it a Property Manager in the kitchen with the stove? Was it the Service Coordinator in the community room with a candle? **STAY TUNED.....MORE TO COME!***
